Subject to the appeal process set forth in rule 22, below, the decision of the Tournament Director, his/her designee, or the rules Tournament Committee, shall be final in all matters.

Except for very serious rules violations, as determined by the OBN Tournament Committee, and any rules that might lead to disqualification of an angler from participation in the Ontario B.A.S.S. Nation (Hank Gibson Qualifier or future OBN events) rules violations must be reported to tournament officials within twenty four (24) hours of the final flight check-in on the day of the alleged violation.

Penalties for rules violations may include the following:

- (a) Reduction of competition hours.
- (b) Loss of one or more fish caught in potential violation of rules or regulations. All bass under question must be marked and verified by your Partner/Marshal/camera operator. If not verified the entire catch may be disqualified.
- (c) Loss of catch for the day of the violation.
- (d) Disqualification from the tournament in question.
- (e) Disqualification from future OBN events, which may be from a specific number of events, a specific period of time, or may be a lifetime disqualification.
- (f) Any different or additional penalties determined by the Tournament Committee.

2. PARTICIPANTS AND ELIGIBILITY:

- 2.1) This tournament is open only to current members of OBN who are sixteen (16) years of age or older, who are active members of a current OBN chapter. Proof of age to the satisfaction of tournament officials is the responsibility of all potential competitors. Any candidate for competition who, in the judgment of the Tournament Director, is disabled in such a manner as to unfairly hinder his/her partner or endanger the safety and well-being of his/her partner or themselves may not be eligible to compete in the tournament.
- 2.2) During the official practice and competitions days of the Ontario B.A.S.S. Nation Hank Gibson Qualifier, competitor (boater or non-boater) may not operate a boat unless that competitor has documented proof of a minimum of one million dollars (\$1,000,000) per occurrence, boat owner's liability insurance covering the boat being used in the tournament. Proof of insurance must be with the boat being used and must cover all passengers in that boat. Random checks will be conducted and any competitor who does not have proof in-force insurance with one million dollars (\$1,000,000) coverage will be disqualified. Each policy must show an effective start date and expiration. Tournament officials have sole authority to determine if insurance policies meet Ontario B.A.S.S. Nation LLC requirements.
- 2.3) A properly completed and signed official entry form must be received by the OBN on, or before, the application deadline. The deadline for tournament entry will be specified on the Tournament Entry form each year. The Tournament Director reserves the right to discontinue acceptance of applications prior to deadline and also the right to extend the acceptance date. As a participant in the Ontario B.A.S.S. Nation Hank Gibson Qualifier, you agree, if you qualify and are invited to be a competitor in the B.A.S.S. Nation Championship, or the Bassmaster Classic conducted by B.A.S.S., to use during the B.A.S.S. Any competitor, who has not contacted the OBN Tournament Director 15 minutes after the closing of the posted on-site registration period, may be disqualified from participating in the tournament.

5. SAFETY:

- (5.1) Safe boat conduct must be observed at all times by competitors. During the official practice and competition, each competitor must wear a Coast Guard-approved chest-type life preserver anytime the combustion engine is running. This preserver must be strapped, snapped or zippered securely, and maintained in that condition until the combustion engine is shut off. Inflatable life vest indicators should be checked daily. Violation of this rule may be reason for disqualification.
- 5.2) Inflatable PFD's are allowed as long as U.S. Coast Guard regulations are met. The Coast Guard requires that inflatable PFD's must be worn at all times unless there is an equal number of non-inflatable Coast Guard approved PFD's on board.

Tournament waters may also be restricted at any time because of bad weather. Weather delays on full field days, resulting in half of the tournament day being lost (first flight take-off and check in), shall result in cancellation. Full fields may be carried over to cut days.
- 5.6) The OBN reserves the right to impose boat speed limits during any or all tournaments. Whether or not to impose a speed limit, the area covered by the speed limit, and/or the actual speed limit imposed, shall be left exclusively to the discretion of the Tournament Director.

No alcoholic beverages or prohibited drugs shall be allowed in the boats during the official practice or competition days, or when in the weigh-in area.
- 6.2) Maximum courtesy must be practiced at all times, especially with regard to boating and angling in the vicinity of non-competitors who may be on tournament waters. - 6.3) All competitors are bound by the prevailing statutes and regulations of the various states in which they fish. Some regulations may differ from these rules resulting in fines, citations or other penalties at the discretion of law enforcement and may or may not result in tournament penalties. Competitors are responsible for research of fishing and boating regulations.

7. ANGLER CODE OF CONDUCT:

Anglers participating in any OBN-sanctioned event shall observe this code of conduct and the applicable rules for the specific event in which they are participating. Anglers and family members of anglers, shall, at all times, conduct themselves in a professional manner that demonstrates integrity, honor and respect toward fellow competitors, tournament staff and the general public and does not reflect unfavorably on OBN, its members, officers or representatives, tournaments or sponsors. RULES

Any disqualification, suspension or other disciplinary action imposed by any tournament or fishing organization may result in disqualification from

competition and rejection of an application for participation in an OBN tournament.

(ii.) Chemical substance addiction or abuse, conviction of a felony or crimes involving moral turpitude, may be grounds for disqualification from competition and for rejecting any application for participation. Any angler who violates any of the provisions of the Sportsmanship Rules or the Angler Code of Conduct may be subject to fines, reduction of points, forfeiture of tournament winnings, and suspension from competing in individual OBN sanctioned events, permanent ban from competition or any combination thereof deemed appropriate by OBN

8. TACKLE AND EQUIPMENT:

- 8.1) During official tournament practice and official tournament competition the use of grippers for landing bass is prohibited during tournament competition.
- 8.2) During official tournament practice and official tournament competition, no more than one artificial or biodegradable artificial lure may be attached to a line at one time. One lure is defined as a single manmade device designed to attract and/or catch one fish at a time. Adding trailer hooks to a single lure is acceptable. If multiple fish are caught on a single manmade lure, on a single cast, all fish are considered legal and may be added to the daily catch subject to scoring rules (17).
- 8.4) No "live bait," "dead bait," or "prepared bait" will be permitted during official practice and official competition, with the exception of pork strips or rinds. Any umbrella-type rigging, harness, or other device designed to hold more than one lure at a time – with or without hooks – is not allowed. Such rigging, harness, or device cannot be added to a single lure as described above.
- 8.5) Only ONE casting, spin casting or spinning rod (ten foot (10') maximum length from butt of handle to rod tip) and reel may be used at any one time. A hung or snagged lure that is not in or on the water is not considered in use and may be set aside while another is in use. Other rigs as specified above may be in the boat ready for use; however, only ONE is permitted in use at any given time.
- 8.6) If a competitor breaks his line while setting the hook or retrieving a fish, he is allowed to make an attempt with the rod being used or with his hands to secure the visible line and land the fish for it to be counted as legal. He may NOT hook the line with another lure, rod and reel, or other device.
- 8.7) The use of braid or other line to attach one stinger hook (single or treble) is allowed but cannot be over two inches in length.
- 8.8) No competitor may intentionally snag or foul hook a bass to be counted in their daily catch. Anyone guilty of snatching or snagging visible fish will have his or her catch disqualified. When visually fishing for bedding bass, to be counted as a legal fish, bass must be hooked inside the mouth and must be verified by your partner before being unhooked. With the mouth closed naturally, you must not be able to see where the hook point enters the fish to be considered hooked inside the mouth.
- 8.9) Competitors, including those who have been "cut" from competition in an event, are allowed to share baits and tackle with one another at any time.

9. HORSEPOWER REGULATIONS:

- 9.1) Maximum horsepower for all outboard motorboats used in official tournament practice and in tournament competition will be two hundred and fifty (250) horsepower.
- 9.2) Horsepower cannot exceed the limitations set by the U.S. Coast Guard and/or Canadian Coast Guard. When required, each boat must have a U.S. Coast Guard horsepower-rating plate attached to the boat by the manufacturer. The horsepower of the outboard engine must NOT exceed the rating specified on this plate nor the horsepower maximum set by OBN.
- 9.3) Each competitor agrees to submit, by their signature on the official entry form, the boat and outboard motor used in the tournament, to an inspection by factory-trained personnel, if there is reason to suspect the horsepower is in excess of the rating. Normal maintenance of engines is allowed.
- 9.4) Changing or altering standard factory parts of a competitor's engine to increase the horsepower over the factory horsepower rating, is forbidden and will result in disqualification.
- 9.5) Falsifying information on entry forms or altering the horsepower-rating numbers on the engine, is also cause for immediate disqualification from OBN tournaments.
- 9.6) Posted speed limits and those imposed by OBN must be observed and all boats must be operated in a safe manner. Violations of speed limits shall result in loss of competition hours and not limited to disqualification.

10. BOAT AND MOTOR:

These restrictions apply during official tournament practice and tournament competition.

- 10.1) For the safety of all competitors, all boats must be equipped with an approved type of operable ignition kill switch and lanyard. Only one manufactured lanyard may be used, and it must be attached to the driver's body any time the combustion engine is operating and in gear.
- 10.2) Any time the combustion engine is operating and in gear, there must be a driver in the driver's seat in full control of the boat.
- 10.3) Fishing boats that are 16 feet or more in length may be used. Any raised platforms or decks cannot be higher than the gunnels of the boat. Standing on the outboard or seats while fishing, is not allowed.
- 10.4) An electric trolling motor may be used for slow maneuvering. However, trolling as a method of fishing is prohibited. The "LONG LINING" or "STROLLING" technique is NOT allowed in both official practice and official competition and defined as intentionally using a trolling motor or outboard to mechanically extend a cast. No exceptions.
- 10.5) Only gas tanks that are installed by the boat manufacturer are allowed. No portable gas tanks or containers capable of holding gasoline can be placed anywhere on the tournament waters or shoreline for use by any tournament competitor.
- 10.6) No "barges" or similar craft will be permitted. No boat equipped with "stick steering" shall be permitted. "Stick steering" shall be as defined by the Tournament Director.
- 10.7) Jet drive engines and tunnel hull boats are not allowed during both official practice and competition. Any boat/hull designs other than standard mass-produced units are only allowed at the discretion of tournament officials.

11. BOAT EQUIPMENT:

- 11.1) During official practice and official competition, every boat must have all required Transport Canada safety equipment and a functional bilge pump.
- 11.2) During official competition, every boat must have live-well space, properly aerated, to adequately maintain alive, a limit catch of bass by both competitors using the boat.
- 11.3) OBN recommends livewells be maintained at full level and aerators/re-circulators on manual.
- 11.4) Boater competitors must make a back seat available for Non-Boaters competitors for each competition day.
- 11.5) During the daily check-in on competition days the following pieces of mandatory safety equipment will be checked:
 - A properly working kill-switch and lanyard for the outboard engine.
 - Life jackets and/or PFD's for each competitor on board.
 - Working navigation lights.
 - Water in livewells and working aerators/pumps.
- 11.6) These items must all be demonstrating to be in working order before fishing can commence for that day of competition. Failure to do so will result in delays for that team. Failure to meet these conditions will result in the team forfeiting their day of fishing.

12. BOAT IDENTIFICATION:

- 12.1) Prior to each day's start, each boat **must** be given an inspection check by a tournament official.
- 12.2) Each day, each boat may be given a number, which **must** remain with the boat.
- 12.3) This number must be displayed upon the request of tournament officials and must be visible during pre-tournament check-in on official competition day.

13. BOAT OPERATION AND EXPENSE:

- 13.1) During competition, in Boater-Non-Boater type events, Boaters will fish from the front deck, Non-Boaters from the rear deck, NO EXCEPTIONS.
- 13.2) During both official practice and competition, Non-Boaters are only allowed to drive (outboard engine) during emergency situations with the exception of loading and unloading from trailers.
- 13.3) During official practice, Non-Boaters not practicing with a Boater competitor, may practice, drive, and fish from the front deck of a boat.
- 13.4) Any Boater that, in the judgment of the officials, operates the boat in such a manner as to unfairly handicap their Non-Boater partner shall be disqualified.
- 13.5) At no time may a Boater competitor request that the Non-Boater competitor not fish.
- 13.7) In view of the large expense involved in operating and maintaining a tournament bass boat, it is suggested that the non-boater partner share, at minimum, the cost of gas and oil for the competition day.
- 13.8) In OBN events where observers replace anglers as the official rider, observers cannot assist the competing angler in any way. Observers are not required to help with gas and oil expenses.

RULES

14. PERMITTED FISHING LOCATIONS:

- 14.1) Tournament waters shall be identified by the Tournament Director for each tournament. Each competitor must obtain this information from the OBN.
- 14.2) Any water within these boundaries posted “Off-Limits” or “No Fishing” by provincial or federal agencies as well as the live-bass-release area established by the Tournament Director will be OFF-LIMITS and will be announced at the Pre-Tournament Briefing Meeting
- 14.3) Only that water open to ALL public fishing will be considered tournament waters. Waters deemed off limits by authorities or tournament officials should be treated like a wall. No boats or casting behind that boundary while fishing.
- 14.4) All angling must be done from the boat during competition.
- 14.5) Tournament competitors who encounter members of the general public and/or landowners, who are insistent not angling in specific areas, are asked not to engage individuals and are asked to immediately report these instances to the Tournament Director immediately to help maintain the integrity of the OBN Hank Gibson Qualifier. Any questionable fishing areas within the official tournament waters must be brought to the attention of tournament officials to be considered tournament waters and may be announced in the briefing for all to hear unless determined otherwise by tournament officials.
- 14.7) Tournament officials reserve the right to restrict or enhance tournament waters based on conversations with local authorities. Competitors are not allowed to cut, remove, displace, or engage in any type structure removal from private property (dry land) during off limits, official practice or competition. Moving structure to include sawing of logs or other obstructions in the water is only allowed if laws permit. No competitor may place any object that may impede or cause danger to boaters.

15. COMPETITORS MUST REMAIN IN BOAT:

- 15.1) During competition days, competitors must not depart the boat to land fish or to make the boat more accessible to fishing waters. Competitors may not shift a majority of their weight outside the boat and onto a dock or other object outside the boat for the purpose of landing a bass or accessing a fishing spot. A bass that cannot be landed without the angler leaving the boat or shifting his weight outside the boat must be released immediately. While keeping the majority of weight in the boat anglers are allowed for boat protection to push or shove off objects while landing a fish to be counted as legal. Competitors are allowed to leave the boat to retrieve a lure. All fishing by that competitor must cease until the competitor is back in the boat. Only then may another cast be made.
- 15.2) Boats must remain in tournament waters during tournament days. Competitors must leave from and return to official checkpoints by boat. Both anglers must remain in the boat at all times, except in case of dire emergency, or with permission from the Tournament Director. Exceptions spelled out in rules 5, 15, and 18. In such an emergency, or with permission of the Tournament Director, competitors may be removed from their boat, either to a boat operated by other competitors, or a rescue boat designated by the Tournament Director. Partners must remain together at all times, in sight of each other and each other’s catch, under the conditions cited above, in order for their catch of that day to be scored in the tournament, with the following exception.
- 15.3) In breakdown situations and with a tournament official’s permission, Non-Boaters may transfer their boat’s (Boater and Non-Boater’s) fish to another competitor’s boat and ride to check in, and they may leave their Boater with the disabled boat. In such cases, the Non-Boater must stay with their catches at all times and the assisting boat’s partners should verify the catch. Any angler whose boat is disabled and rides with another competitor or rescue boat to weigh in is not allowed to fish.
- 15.4) In the event of a needed restroom break or refueling situation at a marina gas pump, contestants are allowed to leave the boat, at which time all fishing must cease until partners are back together in the boat. If a competitor violates any of the above conditions (to contact a tournament official by phone or other means, or to report an emergency or breakdown), both competitors must cease fishing at this point and their catch must be verified by a tournament official in order to be counted in the tournament. If, after the emergency situation is resolved by tournament officials, and enough time is left for the competitors to resume fishing, a **restart** will be allowed, the competitors will continue, and their catch will be counted. This applies only to dire emergency situations as determined by the Tournament Director or his/her designee. Towing boats on trailers during tournament hours is prohibited, except by the direction of tournament officials.

16. OFFICIAL CHECKPOINTS:

- 16.1) There shall be only one official checkpoint for checkout in the morning, and one official check-in point in the afternoon, which points shall be designated at the tournament briefing.
- 16.2) Failure to go through boat check and checkout in the morning or failure to check-in at the check-in point in the afternoon may result in disqualification.
- 16.3) At the time of checkout, all competitors and their boats shall be in full conformity with all rules set forth by the Ontario B.A.S.S. Nation.

2020
ONTARIO B.A.S.S. NATION HANK GIBSON PROVINCIAL QUALIFIER
RULES

16.4) At check-in, all boats shall identify themselves by means of the numbers described in Rule 12 and proceed immediately to the designated weigh-in area. Partners must stay together, through the weigh-in process if both are weighing bass. Once bass are bagged for weigh-in, anglers that are not weighing bass do not need to accompany their partner through the weigh-in process.

17. SCORING:

- 17.1) Tournament standings, contingency awards and final winners shall be determined by the pound-and-ounce weight of each competitor's catch during the competition days of the tournament.
- 17.2) Only Largemouth or Smallmouth bass will be weighed with a minimum twelve-inch (12") length. The Boater limit shall be three (3), Non-Boater limit shall be two (2), of the above species and varieties per day, unless otherwise specified by tournament officials (example – hot weather/fish care concerns/championship events). At no time shall a competitor have in his or her possession more than the tournament limit.
- 17.3) If a competitor determines they have over the limit they must immediately reduce his catch to the tournament limit with a live bass of their choice from their catch. Each returned bass will result in a two (2) pound penalty to be deducted from their daily score. In this case, competitors must attempt to notify tournament officials and if unsuccessful must notify officials at check in.
- 17.4) Once a competitor checks in they must present all legal bass to tournament officials at the verification table. If competitors at the verification table have more than the tournament limit, the competitor will reduce with live bass to the tournament limit and each returned bass will result in a two (2) pound penalty to be deducted from their daily score. If a competitor has his fish verified, weighed and upon returning to the boat discovers additional fish over the tournament limit that were not presented to officials; he then must notify tournament officials within one hour of final flight check in to receive a two (2) pound penalty for each bass discovered. Anglers who do not remove fin clips prior to verification will be assessed a four (4) ounce penalty per clip. No manmade or foreign object connected to a bass will be weighed and shall be removed by tournament officials.
- 17.5) Only bass as described above which measure the official length or more on the longest straight line, shall be weighed. Bass presented for weigh-in, which fail to measure the official length, shall result in a penalty of 1 pound for each such bass, which penalty shall be deducted from the total score of the competitor.
- 17.6) Any bass that appears to have been mangled, mashed, mauled or otherwise altered will be weighed and credited only at the discretion of tournament officials. After competitors check in at the official checkpoint, they MUST present all LEGAL fish in their possession to a tournament official to be counted, measured and weighed.
- 17.7) Once a competitor's catch is measured, counted and verified by a tournament official, that competitor may not return to the boat until their catch has been weighed and recorded. Bass must not be strung at any time during the tournament. Specially designed bags, which increase survival rate, will be furnished by the Tournament Director and must be used for the weigh-in.

18. TOURNAMENT FISH CARE AND FISH MANAGEMENT

- 18.1) Culling of dead bass is prohibited.
- 18.2) For each legal dead bass presented to weigh-in officials, the competitor shall be penalized four (4) ounces to be deducted from their daily score.
- 18.3) Competitors are allowed to ice a dead fish that is part of their daily catch. The Tournament Director, or his/her designees, shall have sole authority for assessing penalty points.
- 18.4) In addition, the Tournament Director, or his/her designees, may reduce tournament hours or tournament limits for fish care purposes.
